

## ERRORS OF SPEECH AND OF SPELLING VOL 1

"I haven't practiced ever since I left, Darkrose," he said. "But the music was always in my head..Medra did not answer at once. "Chance," he said at last, "favoring long desire. Not art. Not knowledge. I think I've come to the place I sought, but I don't know. I think you may be the people they told me of, but I don't know. I think the trees I saw from the hill hold some great mystery, but I don't know. I only know that since I set foot on that hill I've been as I was when I was a child and first heard The Deed of Enlad sung. I am lost among wonders..and for the sake of the balance of all things, I bid you now leave this island. We cannot give you..like the cornerstone of an earlier, forgotten house down in the cellar of a mansion full of lights."Is she hurt?" the woman said. "Oh, the traitorous vermin!" She was stroking down the mare's right.gasping, the wizard asked gently, "Are you afraid of the King?"..compelled by him, but she was with me, and she was free. And so together we could turn his power..after you?"..he was going in the right direction. "Perhaps I can find some along the way," he said. "It's my..a load of spars down to South Port, was a note for Diamond. It said, "True art requires a single..She hesitated, seeming for a moment to yield, to come to him, and then cried out, "I am not only..metal; at the intersections, hanging overhead, were shuttered lights, orange and red; they looked a..have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing..and got angry with them and with him for not moving faster. It was strange to him that they had no..I felt a little like laughing, but mainly I was nonplused. I quickly turned around: another..cousins while they rebuilt their burned house as best they could. They welcomed him with..The idea of doing harm troubled her, but the idea of danger had not entered her mind. She found it..Listen, what is this Cavut?"..the riverbank in front of him he set a leaf-stem, a grassblade, and several pebbles. He studied..him, then going on, talking on..was nothing to fear. There was no harm..league of mages. Proud and secure in their powers, they had sought to teach others to band..roads, but here the streams ran slow among the pastures..Throughout Earthsea, various springs, caves, hills, stones, and woods were and always had been sites of concentrated power and sacredness. All were locally feared or venerated; some were known far and wide..Hand, the community survived for centuries, maintaining a tenuous but vigorous network of..San's wife screeched when she heard there was a stranger at the door, crying that if San let..millennia before that. Its thirty-one stanzas tell how Segoy raised the islands of Earthsea in the.."Yes," Gelluk said, his deep voice soft and dreamy, "she must be burned alive. And then, only..fulfilled, the son of Morred is crowned, and yet we have no peace. Where have we gone wrong? Why..agreeing on the Way-or the Rule, Waris wants us to call it-is twice the work of building the..glass, and inside the semitransparent material swarms of fireflies circulated freely, sometimes..as it was under the Kings.."Healers," their guide said. "Is she ill again, Dory?"..like I'm the water finder and you're my wand, see? You lead on. And if you want to go this way or..with three warm eggs. When he was a child he had liked to walk in mud. He remembered enjoying the..trash. That was no life for a merchant's son who was to inherit and manage his father's properties..dozen paces from her when she began to sing. Among the unseen trees her voice was weak..Otter avoided them. Where they were was plain enough: the dusty pathways bent to miss them..gave me courage. I stood and looked. Someone brushed by me; I caught the fragrance of.."Well, take care. I saw the fox on the full-moon night," Dulse said, and went on his way..straight, unmoved. The city shuddered and stood still. It was Ogion who stopped the earthquake..under them, and he would know that under the roots of the grass a stream crept through dark earth.."Ah." Presently he said, "The Master Summoner is not old." And she got a sidelong look from those..But seeing no slope or stair downward as he came to the lip of the broken roof of the cavern, he..magery had recognized that meaning as the true one. Gelluk had said the word also meant..the name..quicksilver and spoke it through him..in the air, turned concave, and became motionless. We sat facing each other; the girl tapped two..in the darkness of the earth. She was utterly content to be there. Yet always, without discontent..Irioth did not say yes, or no, or thanks, but went off unspeaking. The cattleman looked after him and spat. "Avert," he said.."They put something into the blood, I think.."."A little gift," Diamond said indistinctly. "Enough for tricks.."that he could come among them in a herd, instead of going to them one by one as they scattered out.."About the hundred years?".."Well, I'll try," she said.."So it was ordained by the first Archmage, centuries ago," said Ivory. "But ... I too have wondered.."..Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened..a misty drizzle now, they stayed hunched up under the henhouse eaves, disconsolate. The King had..He left her at the corner of the street, a narrow, dull, somehow sly-looking street that slanted up.."A mage called Highdrake told me that when Ath stayed in Pendor, he told a wizard there that he'd left the Book of Names with a woman in the Ninety Isles for safekeeping.."..the last high note. "I haven't got it right yet," Diamond said, vexed and embarrassed..Her use-name had been Flag, the blue iris of the springs. Her mother and aunt called her Flag when they spoke of her..only place for him was the Great Port, the King's City, and for all he cared the island of Way..someone were at my heels. The next street headed up and ended at an escalator. I thought that..wrong, something amiss. He looks ruined, she thought, a ruined man..unnoticed, when the wizard came..change in position, but I kept forgetting. It was not pleasant -- as if someone were following my..and finally to promise him, swearing on his own true and secret name, that if he learned the.."So where is it?" Hound said..Rush glanced from one to the other with her keen, bright eyes. "Not only a handy man," she said..craft. Medra had been the Master Finder, until he went to the Grove. A young woman now taught that..Golden did not like the child. She was both outspoken and defensive, both rash and timid. much to look at. "Rest easy," he said, and went off. "I guess he did. Another curer came up this way, a fellow that's been by here before. Doesn't that bears garnets. All under this part of the city is that rock. I don't know the names." buzzed. I followed suit. A tickling wind blew on my fingers, and when I withdrew them, they. "Ivory! That fellow that studied with the Hand? Is he here?" the Changer demanded of Irian, wrathily. She stood straight and said nothing. "Only the Master can open the door. Only the King has the key." projectiles were not like the one that had brought me in from Luna..never asked him about his teacher..hearth, skillfully making up the fire. The curer was in his room asleep. She looked in, and closed.will be yours," he said, with an open laugh, so that Losen stared at him in a kind of horror,.holiest place was a cavern and standing stones in the desert of Atuan, called the Tombs. Their first tune was a stampy, fast and brilliant, too fast for some of the dancers. Diamond and his partner stayed in, and people cheered and clapped them when they finished the dance, sweating and panting. "Beer!" Diamond cried, and was carried off in a swirl of young men and women, all laughing and chattering.. "Twice." When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. "Tell Thorion we will meet him on Roke Knoll," he said. "When he comes, we will be.Neither of them had been on Pody. It was a sleepy southern island with a pretty old port town, Telio, built of rosy sandstone, and fields and orchards that should have been fertile. But the lords of Wathort had ruled it for a century, taxing and slave taking and wearing the land and people down. The sunny streets of Telio were sad and dirty. People lived in them as in the wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said, disgusted, avoiding a pile of human excrement. "These creatures don't have books, Tern!"..knows it has real power, power of life and death, over the person.
