When he was Gelluk's prentice and assistant, he had encouraged his master in the study of the lore of Way, finding himself free while Gelluk was off doting on his quicksilver. But Gelluk's abrupt fate had shaken him. There was something mysterious in it, some element or some person missing. Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened. Where Gelluk was, of course, was no mystery. Hound had tracked him straight to a scar in a hillside, and said he was buried deep under there. Early had no wish to exhume him. But the boy who had been with him, Hound could not track: could not say whether he was under that hill with Gelluk, or had got clean away. He had left no spell traces as the mage did, said Hound, and it had rained very hard all the night after, and when Hound thought he had found the boy's tracks, they were a woman's; and she was dead. He had made a little heap of bits of eggshell on the ground by his knee. He arranged the white fragments into a curve, then closed it into a circle. "Yes," he said, studying his eggshells, then, scratching up the earth a bit, he neatly and delicately buried them. He dusted off his hands. Again his glance flicked to Irian and away. She followed the Doorkeeper down a stone passageway. Only at the end of it did she think to turn back to see the light shine through the thousand leaves of the tree carved in the high door in its bone-white frame. What do I want? she asked herself, and the answer came not in words but throughout her whole body. "I've been thinking about it," she said, hurried and earnest. "Couldn't I just tell them who I am?". The daughter of "the wise king Thoreg" rescued Erreth-Akbe from this trance or imprisoning spell and restored him his strength. He gave her the half of the Ring of Peace that remained to him. (From her it passed through her descendants for over five hundred years to the last heirs of Thoreg, a brother and sister exiled on a deserted island of the East Reach; and the sister gave it to Ged.) Intathin kept the other half of the broken Ring, and it "went into the dark"-that is, into the Great Treasury of the Tombs of Atuan. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now.
