Too many moviemakers and novelists were intent on showing you the aftermath, as if that were as important as the story itself. The entertaining part, however, was the movement, the action, not the consequences. If you had a runaway train scene, and the train hit a busload of nuns at a crossing, smashing it the hell out of the way and roaring on, you wanted to follow that train, not go back and see what had happened to the luckless nuns; dead or alive, the nuns were history once the damn bus was slammed off the tracks, and what mattered was the train; not consequences, but momentum. keep control of her bladder, but now he's reminded that their relationship is expression of concern that he swivels on his stool, putting his back to.
