You can't wait to tell him you think the King is a kook." The clients took the rest of the morning and a good portion of the afternoon, looking at estates all over Aventine. A sale of the size property they were interested in would bring a big commission, too big for me to risk seeming preoccupied or impatient. I kept smiling, though inside I felt as Selene looked when she forced herself to walk slowly beside me. I even took them back to the cabletrain, but I had no sooner seen them off than I was flinging myself back into the runabout and driving up to Amanda's cabin.. "I see him for your sake," said Hinda. "If he sees me, he does not see you. If he hunts me, he does." Oh, happiness!" laughed the thin grey man. "She is grey tool". complained. Neither of the other women seemed to be suffering in any way. The new organisms are clones..He turned for a moment to stare at the model of SP3 gleaming on the table beside him and then pointed to it. "Five years from now, that automated probe will leave the Sun and tour the nearby stars to search for habitable worlds... away from Earth, and away from all of Earth's troubles, problems, and perils. Eventually, if all goes well, it will arrive at same place insulated by unimaginable distance from the problems that promise to make strife an inseparable and ineradicable part of the weary story of human existence on this planet." Congreve's expression took on a distant look as he gazed at the replica, as if in his mind he were already soaring with it outward and away. "It will be a new place," he said in a faraway voice. "A new, fresh, vibrant world, unscarred by Man's struggle to elevate himself from the beasts, a place that presents what might be the only opportunity for our race to preserve an extension of itself where it would survive, and if necessary begin again, but this time with the lessons of the past to guide it." .On a day exactly eight months after the disaster, two discoveries were made.
