The acrimonious divorce of former Olympic runner Margot Randall and Senator Charles Christopher Gail had traumatically divided not only Amanda's childhood but her very psyche. Five years ago, when Margot Randall died hi a hovercraft accident and Amanda moved to Washington full-time, it emerged that for most of her childhood, Amanda Selene Gail had been two personalities, Amanda Gail and another calling herself Selene Randall. The revelation, and their decision to remain dissociated, had made them the darlings of the gossip columns..briefed them on the situation as he saw it. It has three wheels, suited for sand, and something that's a cross between a rubber-band drive and a mainspring. Energy is stored in a coiled muscle and released slowly. A rope is not much good if there is a person only on one end. If I have someone with me, I can hold him if he blows off and he can do the same for me." Amos turned to the sailors. "What about that man there? He has a rope and is well muffled against the wind." "It's marvelous," Amanda said. "And people actually live in them?" "And if it's an X. Thus, the facts alone make it clear that the King has no such intent His real purpose in building the Project is to provide a haven. A haven to which the people can flee should a second phenomenal ram-fall again cause the Twin Rivers to overflow their banks to such an extent that the entire Plain becomes inundated. Living on that Plain, the members of Local 209 stand to benefit from the Project as much as the rest of the people. For them to have, in effect, sabotaged such a noble undertaking is, frankly, beyond my comprehension, unless their motive for doing so can be partially attributed to their unwitting acceptance of the popular interpretation of the Project's purpose..
